SERVING THE FOREIGN SEAFARERS IN THE PORT OF MOBILE, AL

— May 2026 —

Thank you so much for your fellowship in the gospel ministry here in the port of Mobile. We are grateful for the Lord's grace and mercy here recently. We sure do appreciate your prayers, support, and also to those who have gone above and beyond. Your giving has been a help and a blessing to us. Please know that it doesn't go unnoticed and is very appreciated.

It always amazes me how the Lord sees fit to provide our each and every need before we even ask Him. I'm also very thankful how the Lord uses the body of Christ to meet our needs as well. We can't thank God enough for His church, the bride of Christ. This past month, a good friend of mine called me and said that the Lord laid it on his heart to donate their ministry van to us, which was a huge blessing. The next day our personal vehicle broke down, yet providentially, the Lord took care of my wife and I through this donation. We are grateful for His grace. This new van will serve us well in the ministry here in Mobile especially when the Cinereskis become fully supported. Please continue to pray for them as they continue deputation.

Please pray for us as we also continue deputation. We are 80% supported right now and still on the road visiting churches. One meeting where I spent the whole Sunday School hour giving my testimony and presenting the ministry, a lady enquired to talk to the pastor about salvation. She waited till after the morning service, then the pastor preached a very evangelistic message, and the woman ended up getting saved that morning. Please pray for Amy, our new sister in Christ as she grows in grace.

We also had a unique opportunity at the port here recently with a supporting church of ours as we gathered fifteen seafarers to attend a church service inside the port. The evening was blessed with, singing, preaching, and pizza. We all had a good time and look forward to doing something similar to this in the near future.

There are so many conversations had this past month and other events that have taken place, but for now, I just want to ask you to pray for the seed sown here recently. We want to see fruit from it, for His glory. We sure do appreciate you all.
